

Science Park is in the east of Amsterdam, in the East/Watergraafsmeer district. The SCGE course will be held in Rooms F2.04 and D1.114 on the second floor of the F Building and the first floor of D Building respectively in the University of Amsterdam Faculty of Science Complex. All of the buildings in this complex are shown in green above.

The No. 40 bus runs about every fifteen minutes from Science Park, Amstel, and Muiderpoort railway stations. All the buildings are no more than 300 metres walk from one of the Science Park bus stops, which are shown above circled in red.

If you are arriving by bicycle from the Casa 400 Hotel/the city center, follow the Ooster Ringdijk bike path to the east and after you pass the large park located north of the dike/canal, turn south into Science Park. Bike racks are located in several locations around the complex.
